Mr. Dan Dowling

Dear Mr. Dowling

I refer to your FoI request received on 12 August 2021, made under the Freedom of Information Act 2014, seeking access to records held by this Department, as follows:

*“... seeking in tabular form a list of all landings of American military aircraft in Shannon by day for the month July of 2017 in the form suggested.*

***Date US Military Landings***

***01/07/2017 1***

***04/07/2017 1***

***10/07/2017 3***

=====

The Department of Foreign Affairs keeps records of diplomatic clearance *requests* submitted to seek permission for landings of foreign military aircraft. The requests specify the intended date of landing. Records of the actual landing dates are not within the scope of this Department.

With regard to diplomatic clearance requests for US military aircraft in July 2017, a list in tabular form of the number of diplomatic clearance requests with **the intended dates** of the landings is attached. 26 requests received in 2017 related to flights scheduled to land at Shannon airport in July 2017. Of these 26 requests, one flight was cancelled.

You may also be interested to know that statistics in relation to the overflight and landings of foreign military aircraft are now available on the website of the Department of Foreign Affairs at [www.dfa.ie](http://www.dfa.ie)

***Legislative provisions and policy***

I would like to take this opportunity to outline the legislative provisions and policy under which this Department operates with regard to the requests of overflights or landings of foreign military aircraft in Ireland.

The Air Navigation (Foreign Military Aircraft) Order, 1952 gives the Minister for Foreign Affairs primary responsibility for the regulation of activity by foreign military aircraft in Ireland and in Irish airspace. The Order provides that no foreign military aircraft shall fly over or land in the State without the express invitation or permission of the Minister. It further provides that the aircraft shall comply with such stipulations that the Minister may make.

Applications for permission for foreign military aircraft to overfly Ireland are routinely required to include confirmation that the aircraft meets specific criteria; namely that the aircraft is unarmed, carry no arms, ammunition or explosives; and must not engage in intelligence gathering. Furthermore, applications must also specify that the flights do not form part of a military exercise or operation. These conditions are applied to ensure compatibility with Ireland's longstanding policy of military neutrality, which is characterised by non-participation in military alliances. This policy provides a context within which requests for overflights and landing permissions are considered by the Department of Foreign Affairs.

**Right of Appeal**

Should you wish to appeal this decision, you may do so in writing to the Freedom of Information Unit, Department of Foreign Affairs and Trade, 76-78 Harcourt Street, Dublin 2 or by email to [foi@dfa.ie](mailto:foi@dfa.ie). You should make your appeal within 4 weeks (20 working days) from the date of this notification. However, the making of a late appeal may be permitted in appropriate circumstances.
