To whom it may concern,

In accordance with the Freedom of Information Act 2014, I request the following records which I believe to be held by the Department of Foreign Affairs:

- Copy of all correspondence, memos, emails, reports and/or briefing papers held by the department relating to concerns for the economic, trade and other implications of a potential “Brexit” after the forthcoming UK referendum on its membership of the EU. The documents should relate to discussion, policy or strategy which addresses or seeks to mitigate the fallout in relations between Ireland and the UK and should apply for the period Nov 1st, 2014 to Nov 1st, 2015.

If there are any questions regarding the above query I can be contacted at : _____

I am happy to receive records in either print or electronic format, whichever is the most cost effective.

Kind regards,

Mark Hilliard
