**Subject:** Freedom of Information Request

Dear,

I wish to make a request for information – under the Freedom of Information Act 2014 – in relation to an ESB International study called: **‘Feasibility Study for the Sustainable Electricity Supply to Zesco Southern Division’** in relation to electricity supply in Zambia to which DFAT/Irish Aid may have provided input. I request the following:

- Any correspondence with both internal and external entities (such as the Irish embassy in Zambia or ESB International) concerning the study;
- Any reports, memos or other documents concerning the study;
- Minutes of any meetings concerning the study

Should you feel that provision of this information would exceed the time/cost limits of the FOI Act, 2014 I would be grateful if you could notify me at the soonest possible date and help me to further refine the request.

If my request is denied in whole or part I ask that you contact me at the earliest convenient date and justify all deletions by reference to specific exemptions of the act.

I will also expect that you release all non-exempt material.

I would be grateful if you could please confirm receipt of this request.

I look forward to receiving your response within 20 working days as outlined by the statute.

Best Regards,

Niall Sargent
