Hi Frances,

Thanks for your prompt response. I would be happy to proceed under the revised scope of the request, as suggested.

Dear Mr McDonagh

I refer to your recent request for access to records under the FOI Act 2014 as below.

I would be grateful if you would reduce the scope of your request. As it stands it is liable to cause significant and unreasonable interference to the work of the mission and could be refused under Section 15(1)(c). A request with a reduced scope covering 2015 to end September 2016 would be workable. The request, as below, would not incur any search and retrieval fees.

Under the FOI Act 2014 I request access to details of all events and functions hosted by the Irish Embassy in Tokyo, Japan not held in the Embassy's official residence from 1 January 2015 to end September 2016; to include a description of the event, the number of attendees, the venue at which it was held, and a breakdown of all costs associated with the event.

If you let me know your views we can proceed with processing your request.

Kind regards

Frances Kiernan
