Hi Frances

In relation to the other request on expenditure by Irish Aid over €500.

You mentioned before that one way of limiting the scope would be to only seek expenditure between €500 and €1000. Is that a possibility? I'd be happy to amend the request to those parameters if it is.

Subject: Irish Independent FOI request

Good afternoon

I am making a freedom of information request for the following records:

* Details of all expenditure on goods and services - exceeding €500 - by Irish Aid in 2015 and from January 1 to October 19, 2016.

The information should show which Irish Aid office - at home or abroad - incurred the expenditure, the dates of the expenditure, itemised details of the goods or services purchased and the cost of each, and the names of the company/individuals providing the service.

You can send me the information by email or by hard copy to Cormac McQuinn, Irish Independent, Independent House, 27-32 Talbot Street, Dublin 1, D01 X2E1.
