Hello,

My request is being made under the Freedom of Information Act 2014. I wish to request access to the following records:

1. A breakdown of the amount spent by the Department on refurbishing diplomatic buildings and embassies in 2015 and so far this year.
 2. I am seeking an itemised breakdown of all items/ refurbishment costs/ furniture and fittings valued over €3,000.
 3. Separately, I am seeking details concerning the amount spent on catering costs in each year since 2010. This would include costs incurred so far this year.
- I am also seeking the supplier and amount paid to each supplier in each year.
Please also include the total number of meetings/events (which required catering) for each year.

If you need to clarify anything I am contactable at

I would like to receive all correspondence in electronic format.

Regards,

Mark
