

### Section 3

3.3 Ensure that our armed forces adopt and implement a range of policies and practices to **avoid** **minimize** civilian harm **by such applicable measures as avoiding**, ~~including by restricting~~ the use of explosive weapons with wide area effects in populated areas, when the effects may be expected to extend beyond a military objective.

コメントの追加 [A1]: All measures, in accordance with the principles of IHL, should be taken to **minimize** civilian harm. Restricting the use of explosive weapons is not the only solution.
